LUKA ĐURIĆ
Full Stack Developer & Graphics Designer

👤 Profile

IamLukaĐurić,a master'sstudentat the Faculty of Information Technologies. I am passionate about creating websites and my dream is to create my first program and game. Lately, I have devoted myself to learning Spanish, because I believe that knowing the language is essential for communication and understanding different cultures. Passionate fan of movies, TV series and manga, and I actively train boxing and go to the gym. I also enjoy playing video games, learning languages, and traveling. I have experience in computer assembly and system design.

💼 Work Experience
